CAREER OBJECTIVE

Seeking an entry-level opportunity in cybersecurity where I can apply my academic knowledge, contribute to real-world projects, gain practical industry experience, and continue developing as a technology professional.

EDUCATION

- UG: Currently pursuing Bachelor of Computer Science specialized in Cyber Security at Dr. N.G.P. Arts & Science College — Current CGPA: 78.2%.
- HSC II: Sindhi Vidyalaya Matriculation Higher Secondary School — Aggregate: 64%.
- HSC I: Sindhi Vidyalaya Matriculation Higher Secondary School — Aggregate: 54.8%.
- SSLC: Sindhi Vidyalaya Matriculation Higher Secondary School — Aggregate: 72.6%.

TECHNICAL SKILLS

- Programming Languages: C, C++, Python, Java (Basics)
- Cybersecurity & Networking: OSI Model, TCP/IP Fundamentals, Cisco Packet Tracer (Basic Network Topology Simulation)
- Security Tools: Wireshark, Cisco Packet Tracer
- Database: Basic Knowledge of Database Design Concepts

SOFT SKILLS

- Adaptability
- Active Listening
- Time Management

CERTIFICATIONS

- **NPTEL – Joy of Computing Using Python** — Score**: 60% (Elite)**
- **Aptis General English Proficiency** by **British Council — B2**
- Introduction to Cyber Security — **Cisco Networking Academy**

INTERNSHIP

- Completed a 30-day internship at Innov8 Edu Tech Solutions, specializing in Cybersecurity with Ethical Hacking.

PROJECTS

Threat Intelligence Aggregator

- Developed a Threat Intelligence Aggregator using Python and Streamlit to collect and process cyber threat feeds.
- Implemented IOC extraction, threat correlation, severity classification, and interactive security dashboards.
- GitHub: GitHub Repository
- Live: Live Demo

SentinelShield – Web Application Firewall

- Developed a web-based WAF to detect SQL injection attempts and suspicious user activities.
- Implemented real-time monitoring, attack logging, IP tracking, and security analytics dashboards.
- GitHub: GitHub Repository
- Live: SentinelShield Dashboard

LANGUAGES KNOWN

- English — Read / Write / Speak
- Tamil — Read / Write / Speak

DECLARATION

I hereby declare that all details given above are true and correct to the best of my knowledge.
